

# Message from Mr. Ohshiro

### Learn From More Than Five Decades of Experience to Tackle the Holidays

Seasons greetings from E8PA headquarters on Okinawa. After 51 years in business, Enagic has accumulated valuable organizational knowledge that should serve you well moving forward.

Time with family and friends over the holidays replenishes us with cheer, but scheduling often becomes a balancing act. Excessive social commitments frequently distract us from focusing on our livelihood. The most successful Independent Distributors don't completely cut off communications and find ways to keep motivating their downline and prospects.

Instead of succumbing to interruptions in your business this holiday season, I challenge you to find time to focus each day to share Kangen Water® and help your team rank up. Even just sending one email or posting on social media helps. While the rest of the business world slows down in December, we can seize momentum and take Enagic to new heights now and in 2026!

If you are an Independent Distributor ranked 6A or above, one of the best ways for you to further rank up is to focus on team building, mentorship and inspiring your downline by promoting global Enagic sales contests, as we announce them. Since you have a success oriented mindset, you should be monitoring your team and key leaders using the DSP.

Kangen Water® ionizers have surpassed 1% market penetration for households in many markets. We expect to achieve the same in more markets in 2026. An impressive achievement. Remember that most people around the world have still never heard of Enagic. Untapped awareness makes our market for new users and distributors almost limitless, which is exciting.

Thank you for your leadership and don't forget to drink your Kangen Water® over the holidays!

Hironari Ohshiro Enagic Founder and CEO

# **Change Your Life Story**

6A2-7 Diem La's childhood in Vietnam was far from comforting. "My father passed away when I was young, and from that moment, childhood disappeared," she says. "I had to grow up early — helping my mother work, taking care of my two younger brothers, and learning how to survive."

Diem moved to the U.S. in 2004 "with nothing except a dream" to start building a better life. She simultaneously worked at a restaurant and nail salon to support her family members back home in Vietnam. "Many nights I cried quietly because the struggle felt impossible," Diem says. "But I never gave up."

Her life took an uplifting turn when a friend introduced Diem to Kangen Water<sup>®</sup>. She appreciated the water, but didn't plan to pursue the business opportunity for five reasons:

- "No English"
- "No computer skills"
- "No education"
- "No money"
- "Very shy"

"Enagic gave me hope at a time when I had nothing," she says. "I didn't start because I was confident. I was tired of being poor, struggling, and watching my family suffer."

Enagic's patented 8-point compensation plan provided a more equitable opportunity that she couldn't ignore. Diem says, "I said YES, even though I was scared, because sometimes one brave decision can change everything."

Even though Diem did not complete high school and had "no professional skills," life taught her:

- "Hard work"
- "Discipline"
- · "Responsibility"
- "Gratitude"
- "Fighting for family"

"Enagic was the first company that didn't judge me for what I lacked," Diem says. "They only cared about my heart, hard work, and willingness to learn. That was the beginning of everything."

Diem sold her first Kangen Water<sup>®</sup> ionizer to her neighbor, Khoa Nguyen. "For one month, every single day, I brought Kangen Water<sup>®</sup> to his mother," she says. "He finally bought a machine — not because of business, but because he saw my heart."

"Then something beautiful happened," Diem says. "He joined me and began sharing Kangen Water® globally." Khoa now holds an impressive 6A2-6 rank and is a formidable team member. Diem says, "The first person I helped became the first person to change the world with me."

"When you come from nothing, you dream differently," Diem says. My dream is not about money; it's about changing lives." To help other people change their lives, like she changed hers, Diem travels the U.S., Asia, and Europe to build a global organization with purpose:

- "Help more families around the world gain True Health."
- "Give opportunity to people who feel small, scared, or forgotten just like I once did."
- "Create leaders, not followers."
- "Train leaders with mindset, discipline, and duplication."
- "Lead with love, integrity, and example."
- "Help people to believe in themselves."

Diem developed a system to motivate her downline that goes beyond routine. "I lead with love and real connection," she says. "People don't just need training. They need belief."

#### Her method:

- Weekly Zoom trainings
- In-person workshops
- "Shedding light on mindset, vision and consistency"
- "Listening and supporting team members when they struggle"
- "Celebrating every step of progress"

"We don't just build a business," Diem says. "We build a family." Toward that end, she tells them:

- "You don't need to be perfect."
- "You don't need education."
- "You don't need money."
- "You just need heart, consistency, and belief."

"Today, because of Enagic, I became a new version of myself — stronger, braver, more confident, and successful." Diem says. "I am living proof that ordinary people can create extraordinary lives. If my story inspires even one person to believe in themselves, then every struggle was worth it."

"Enagic didn't only change my life; it changed my entire family," Diem says. "My mother, 6A2-5 Binh T. Huynh, my husband, 6A2-4 Khuong Lay Tang, and my younger brother, 6A2-4 Thanh La, were all just ordinary people." Now they are all top achievers who share global goals.

"No education, no experience, no special background. Just simple human beings trying to survive. But with Enagic, we were no longer struggling alone. We were working together, learning together, growing together, and succeeding together...If a poor family from Vietnam can rise together and succeed side by side, then anyone in the world can. I am living proof that when love, leadership, and opportunity come together — lives can transform."

Diem would like to express her deep appreciation to:

- "6A2-6 Khoa Nguyen Top leader in the United States"
- "6A2-5 Hong Thi Bui Top leader of Europe"
- "6A2-5 Thang Ngo Top leader of Asia and the United States"
- "Mr. and Mrs. Ohshiro, who changed my life and my family"
- "The Enagic staff for your hard work and your support for all of us around the world"

### 2025 SCPGA San Diego County Open Tournament Report Enagic Golf Club at Eastlake hosts another exciting year. Enagic Sports High School players shine from Okinawa!

Enagic Golf Club at Eastlake (Par 71) once again hosted the 2025 SCPGA (Southern California PGA) San Diego County Open, bringing together top professional and amateur golfers from across the United States. The tournament's qualifying rounds took place from October 14–15 and the final round happened on October 16.

Three young players represented Enagic Sports High School from Okinawa, Japan: Yosei Goya (吳屋 陽星), Ryunosuke Yamamoto (山本 龍之介), and Koki Higashionna (東恩納 昊貴) Their coach Shingo Ogawa (小川 慎吾) accompanied and supported the team throughout the event.

### Qualifying Rounds (October 14-15)

A powerful low-pressure system swept through on the first day, bringing strong winds in the morning and heavy rain in the afternoon, creating extremely tough conditions.

Koki Higashionna struggled in the challenging weather, finishing with 82 (+11).

Meanwhile, Yosei Goya posted 74 (+3) and Ryunosuke Yamamoto carded 70 (-1), placing Yamamoto in a tie for 4th after the first day.

On the second day, conditions improved but lingering winds still tested the players.

Higashionna rebounded with a steady 71 (Even Par), but narrowly missed the cut at +6.

Yamamoto shot 72 (+1) for a two-day total of 143 (Even Par), successfully advancing to the final round.

Goya, meanwhile, delivered an impressive 67 (-4) on Day 2, bringing his total to 141 (-1) and securing his spot in the final as well.

### Final Round (October 16)

The final round began under calm morning skies.

Ryunosuke Yamamoto teed off at 7:52 AM from the 1st hole and played a steady front nine at Even Par (36). However, a triple bogey on the 16th hole cost him several strokes. Ryunosuke finished the day at 75 (+4).

He completed the tournament at 218 (+4), earning a tie for 35th place.

Yosei Goya started at 8:14 AM. After a strong front nine at 34 (-2) and a slight setback on the back nine, he closed with a 70 (-1) for the day.

With a three-day total of 211 (-2), Goya finished in a tie for 9th place overall, capturing the prestigious title of Top Amateur (Low Amateur).

### Winner & Award Ceremony

David Bradshaw was the tournament champion. The professional golfer from Encinitas, California, delivered an outstanding performance with rounds of 71 (E), 68 (-3), and 65 (-6) for a total score of 204 (-9) to claim victory.

Enagic Founder and CEO Hironari Ohshiro attended the awards ceremony and personally presented Bradshaw with a LeveLuk K8 water ionizer as the winner's prize.

Both the SCPGA organizers and Bradshaw expressed their sincere appreciation for Enagic's continued sponsorship and support of the event, highlighting the strong partnership and shared vision for the brand's future growth.

### The Spirit and Pride of Enagic

Mr. Ohshiro expressed deep pride in the achievement of his school's students, particularly in seeing one of them earn the Top Amateur title at an international event.

He also praised all three Enagic Sports High School players for their dedication and determination, saying their performance embodied the true spirit of Enagic through sportsmanship and perseverance.

### **Enagic's Global Impact**

The 2025 San Diego County Open once again delivered moments of excitement and inspiration.

Through this tournament, the Enagic brand has continued to gain recognition in the U.S. golf community — a powerful example of how sports can unite people and promote international exchange under the Enagic name.

# Kishor Sitaram Kamble 6A

6A Kishor Sitaram Kamble was born and raised in Yakatpur, a village with under 3,000 people in Maharashtra's Latur District, an area in central India that is probably best known for agriculture and the historic Kharosa Caves. He currently lives in Latur, the district's largest city.

Kishor's "great guru upline" 6A
Gajendra P. Solanki and top leader 6A24 Shalibhadra Nagori from Miraculous
Water Solution introduced him to Enagic
in October 2021. "When I saw the
Kangen Water® demo and business plan,
I felt that I can make my life as well as
the lives of other people better through
Enagic," he says. "This attracted me."

Kishor previously marketed agricultural products and was an agent in a life/health insurance company. Both jobs have proven valuable in his current role. Kishor says, "My 16 years of network marketing experience have helped me to do very well as an Independent Distributor."

Kishor sold his first Kangen Water® ionizer, an SD501, to 3A Vinod Patel, after leading a successful demo. Since then, he's motivated team growth with a dedicated approach.

- TVG (Team Victory Global) Supporting System & GPS Academy
- One-to-one meetings
- · Group meetings
- Seminars

Kishor is diligent, but does devote some time to recharge. He says, "When there is no work, I take rest, give some time to my family, and make plans for further development."

May 17 marked a significant milestone at the Enagic Singapore branch office. This community's first-ever Mother's Day Celebration honored the resilience, sacrifices, and achievements of our fellow mompreneurs. This heartwarming event brought together mothers from all walks of life, with one shared purpose: to acknowledge the strength it takes to raise families while building a successful Enagic business.

The event brimmed with laughter, tears and powerful stories of transformation. Enagic Singapore celebrated three remarkable women who exemplify the Enagic spirit. Through perseverance, mindset shifts and community support, these mothers have each achieved the prestigious 6A and 6A2 ranks, a testament to their dedication not only to their families but also to their purpose-driven business journey.

Mabelline Goh: From Stay Home Mum to 6A2 Leader For Mabelline Goh, the journey to 6A2 was deeply personal. After her young son was diagnosed with cancer, she made the decision to leave her hotel corporate career of 13 years to become his full-time caregiver. For three years, Mabelline poured her heart into his recovery and after his remission, she attempted to re-enter the workforce. However, her career gap was met with rejection, skepticism, and subtle belittlement.

Feeling isolated and undervalued, Mabelline chose to redefine her path. Despite being an introvert, she courageously stepped into the online business space, learning the ropes of digital marketing and leveraging social media to connect with like-minded mothers. Her consistency and willingness to show up even on tough days helped her grow a thriving team of mums.

In just four years, Mabelline not only achieved the 6A2 rank but also emerged as a quiet yet powerful leader, a true beacon for mothers seeking both purpose and income. Her story reminds us that setbacks can be the very soil where new strength takes root.

### 🛠 6A Bel Ang: Reinventing Herself Through Enagic

Before joining Enagic, Bel Ang was no stranger to hustle. A stay-home mum of two, Bel explored countless side gigs, from e-commerce and dropshipping to affiliate marketing and direct sales. No matter how hard she worked, these low-ticket models never allowed her to replace her corporate income. She often found herself trading time for minimal returns. What changed everything was discovering Enagic's patented 8-point compensation plan. "It just made sense," she recalls. "The product is powerful, the compensation plan is sustainable, and the community is real."

With a coachable attitude and unwavering consistency, Bel took massive action. She showed up for her training, implemented what she learned, and shared from the heart. Within just 20 months, she achieved her 6A rank — a dream that had seemed so distant during her side gig days.

Today, Bel is not just earning what she used to in the corporate world. She is doing it on her own terms, while being present for her children. Her journey is proof that with the right vehicle and the right mindset, moms can have both impact and income.

### 🛞 6A Priscilla Chua: Embracing Her Quiet Strength

For Priscilla Chua, building an Enagic business did not come naturally. This introvert once believed that a people-oriented business was not meant for her. "I used to compare myself constantly," she shares. "I thought I wasn't outgoing enough, or loud enough, or good enough."

Every rejection felt like a personal failure, and the learning curve was steep. Priscilla made a powerful choice — to keep showing up. With every small step forward, she began to

reframe her identity. She saw that being an introvert was not a limitation, but a different kind of strength: one rooted in deep listening, quiet confidence, and sincere connection.

Over three years, she experienced many "micro wins," from her first sale, to helping a new team member succeed, to sharing her story on social media despite her fears. Each success built her confidence. In time, Priscilla stepped into her 6A milestone with grace and authenticity.

Her message to fellow introverts: "You don't have to change who you are. You just have to be willing to grow."

### A Day to Remember

The Mother's Day event was more than just a celebration — it was a reminder of what's possible when women support one another. The room pulsed with warmth, solidarity, and inspiration. Every mother in the room saw a reflection of herself in these three leaders, the doubts, the sacrifices, and the courage it takes to begin again.

As the afternoon closed with a sumptuous buffet lunch and joyful photo-taking, one thing was clear: Enagic Singapore is not just building businesses; it is building a movement of empowered, heart-centered mothers who lead with love and vision.

Here's to many more moments of connection, celebration, and transformation. And to all the mompreneurs out there — your strength is seen, your stories matter, and your success is just the beginning.

Happy Mother's Day from all of us at Enagic Singapore.

# A Weekend to Remember with Kangen Wagyu™

### By 6A4-3 Eufronio & Laila Nini

For our family, moments together are treasured, and this weekend getaway was extra special. We escaped to our daughter's lakehouse to celebrate both of our daughters' birthdays. What made it even more memorable? The arrival of our Kangen Wagyu™ package, just in time!

On the first night, we grilled all six 9 oz Wagyu steaks. My son-in-law handled the grill like a pro, serving each steak perfectly medium rare. Paired with sautéed mushrooms and a fresh wedge salad, the steaks were tender, juicy, and full of flavor. For a family of seven, every bite was shared with smiles. One steak was more than enough when it's that rich and satisfying!

The next day, we added a pack of Wagyu sausage to our seafood boil. The burst of flavor took the dish to a new level—smoky, savory, and delicious. We couldn't stop talking about it.

On our final day, after church, we grilled the Wagyu hamburger patties. Topped with cheese, lettuce, tomatoes, and eggs, they made the most unforgettable burgers we've ever had; no fast-food burger could compare.

We've been part of the Enagic community for many years, but this Wagyu package gave us something new: a luxury food experience that brought our family even closer. For any family with 4–6 people, this box is more than a meal; it's an occasion, a celebration, and a delicious memory all in one.

Thank you, Enagic, for always delivering excellence—whether it's Kangen Water® or Wagyu.
